To whom it may concern,

During business visit to Unitronics Automated Systems HQ, we had the pleasure to experience the excellent tour guide services of Dr. David Gurevich.

Unitronics team and the guests were impressed by outstanding knowledge of Jerusalem, Jerusalem history and Theology by Dr. Gurevich.

Dr. Gurevich contributed to the great success of our day tour with positive memories of Jerusalem.

We strongly recommend David to anyone wishing to travel to Israel.

Sincerely,
